**REGULAR MEETING MINUTES – BOARD OF EDUCATION**  
**Redford Union Schools**  
**May 13, 2024**

A Regular meeting of the Redford Union Board of Education was held on May 13, 2024, at the Secondary Campus, (Performing Art Center), 17711 Kinloch, Redford, MI 48240.

Regular Meeting  
5/13/2024

**Call to Order:**

**Call to Order**

President Pridemore called the meeting to order at 5:30 PM.

**Roll Call:**

**Roll Call**

Present: Bailey, Dean, Martin, Miller, Osowski, Pridemore, and Juzswik (Student Rep.)

Board Vacancy: One (1)

Absent:

**Pledge of Allegiance:**

**Pledge of Allegiance**

The Pledge of Allegiance was recited.

**President Remarks:**

**President's Remarks**

President Pridemore asked that everyone please place their cell phones on silent.

President Pridemore welcomed everyone, and she explained the process for the Call to the Audience Regarding Agenda Items and the Call to the Audience Regarding Non-Agenda Items. She also mentioned that there are candidates for the Board vacancy. A special meeting will be held next week, and those candidates will be interviewed. A decision will hopefully be made at that meeting due to the time frame to fill the vacancy.

**Adoption of Agenda:****Adoption of  
Agenda**

It was Moved by Member Osowski, Seconded by Member Miller, to adopt the Agenda of the May 13, 2024, Regular Board Meeting as amended:

The agenda was amended to include a potential disciplinary action of a board member. That item would be Action Item # 10.

President Pridemore made a motion to adopt the Agenda as amended.

Yes: 5 No: 1 Motion: Carried

**Call to the Audience for Public Participation Regarding Agenda Items:**

None.

**Call to the Audience:  
Public Participation  
Regarding Agenda Items****Presentations:****Presentations****2021 Capital Bond Project Update – Plante Moran Realpoint and The Christman Company****2021 Capital Bond  
Project Update – Plante  
Moran Realpoint and  
The Christman Company**

Rob Kakoczki from Plante Moran Realpoint, Brad Anderson and Robert Spiegel from The Christman Company gave a presentation on BP #11 Hilbert Elementary Field of WOW, Award Recommendation Recap and Bond Budget Summary. The on-site construction will start on June 10, 2024 with a final completion date of September 9, 2024. The total BP # Award Recommendation Amount was \$879,475.

There were questions and answers.

The total current Bond Budget is \$66,777,929 with the remaining balance of \$1,802,416.

There were questions and answers regarding the Bond Budget.

The team also reported on the Redford Union High School Baseball Field future site. The current status of the 2021 Capital Bond Project Funding would enable the District to establish a “home” for Redford Union Baseball.

Alternatives being considered will ultimately be shared with the BOE no later than July for feedback and eventual recommendation:

- a. Potential partnership with Redford Township for the upgrade / renovation of a current baseball field site ( i.e. . Claude Allison Park)
- b. Construct new baseball field at MacGowan School site; or
- c. Upgrade / renovation of a current baseball field site (i.e. . Beech Elementary)

There were questions and answers.

Trustee Bailey had concerns about the access at the football and track field at Hilbert not being Americans with Disabilities Act (ADA) accessible. The Board will have a conversation in the future regarding the accessibility of that field.

The District will make sure the Field of WOW is accessible to the community. They may have to put some logistics in place to monitor those things and create a system. Superintendent Witt said that they will work through both the Athletic Supervisor and Mr. Tomasaitis, Director of Facilities and Operations to make sure that accessibility of that field is made available on a reasonable basis.

#### **Secure Environment Consultant/Shield – David Pass, Ed.D.**

This school year, the District's previous security company was Safe-Ed. Safe-Ed was acquired by Secure Environment Consultants (SEC Shield). Tonight, one of their vice-presidents, Dr. David Pass presented to the Board. He shared some background of the Founder/President Jason Russell, himself, and the company. They do a lot of very specific training for school personnel, understand their role in a school environment, understand special need students with disabilities and how they may need to communicate differently with students. The security team uniforms will be black polo shirts with a shield logo and a yellow lanyard.

#### **Secure Environment Consultant/Shield – David Pass, Ed.D.**

#### **Student Panel Professional Learning Activity – Michael Taylor, Principal of RU High School and Carissa Peterson, Principal of RU Junior High School (Secondary Campus)**

Michael Taylor, Principal of RU High School and Carissa Peterson, Principal of RU Junior High School (Secondary Campus) presented on the Student Panel Professional Learning Activity. The panels were diverse with female and male students, student with IEPs so they had a good representation of the student body. The students shared their thoughts and input which was very positive.

#### **Student Panel Professional Learning Activity – Michael Taylor, Principal of RU High School and Carissa Peterson, Principal of RU Junior High School (Secondary Campus)**

#### **Student Representative Communication:**

Elisia Juzswik, Student Representative provided the Board with her agenda. She reported on the following:

- Student Council: The last blood drive for the year will be May 14, 2024.
- Link Crew: On May 7, 2024, the Link Crew spent the whole day touring groups of ninth graders to get a feel for the secondary campus side.
- National Honor Society: Last week was teacher appreciation, the National Honor Society made thank you cards for the staff members.
- SAT Prep: 25 students who have finished and attended all of the SAT prep are currently a Cedar Point. We wish them a safe travel home!

#### **Student Representative Communication**

- Seniors: Seniors are coming up to their last few days of high school. Prom is May 17, 2024. Graduation is May 29, 2024 at USA Hockey Arena in Plymouth, MI at 7PM.
- Testing: Advanced Placement (AP) testing has started and will continue throughout the month. NWEA testing for English.
- Sports: Girls flag football team played down at Ford Field this past Saturday. The girls were victorious against Renaissance High School with a score of 31-12. Three of the players were offered a chance to play flag football at Siena Heights. On May 14, 2024, the girls' and boys' varsity track team will have a meet against our rival Thurston High School.

### May 2024 Board Brag Book:

### May 2024 Board Brag Book

The Board Brag Book and Calendar of Events will be posted on the District's Facebook page.

### Beech Elementary School:

Solar Eclipse viewing, yearbook club planning, SEL activities, and/or youngest student getting some work done while spending time in the Principal's office!

Staff celebrated Autism Awareness, or SSW, spent time with students as they socialized, families joined us for after school concerts, and students in our ASD program made flower bouquets for Principal Nickel.

Beech celebrated the start of state testing by hosting an MSTEP pep assembly! Students in grade levels that do not test cheered on the 3rd-6th grade students as they made their way down to the gym for a pep talk from teachers, students, and the principal!

**Courtyard Beautification:**

Our First-Grade classes have been adding to the memorial garden in the courtyard. With the help of Mrs. Ottenbacher, the students have spent recess time painting rocks. We cannot wait to see more artwork from the rest of the artists in the building.

**Hilbert Elementary School:****Future 7th Graders Visit RUJH:**

Our 6th grade students had the pleasure to visit RUJH. They enjoyed the presentation from assistant principal, Katie Sims. The student leaders took them on a tour, and they were able to visit classrooms, try band instruments and even get some advice from current junior high students. They also had a chance to meet the rest of the RUJH staff. The highlight was the questions at the end and the lovely prizes they won. Our students are looking forward to attending in the fall.

Spring is in the Air! Our students are excited to witness the hatching of 22 baby chicks. They are learning about life cycles, and our little scientists check their progress daily.

Congratulations to Ms. Ponto-Ramirez and Ms. Borg for winning \$300 for their classroom makeover from Meemic – Shepard Agency. We appreciate their commitment to our students and staff here in Redford Union.

Solar Eclipse 2024 Our students were able to enjoy the solar eclipse last month thanks to the generosity of our school district. They supplied each student with a pair of glasses to safely observe this event.

**Redford Union Junior High School:**

As we enter the last full month of the school year, we are still finding ways to engage our students in hands on learning and college and career exploration. Our science department ensured that all our students were able to go out and view the solar eclipse back in April. Students and staff alike were thrilled by this experience that they will not soon forget. Our students had a wonderful experience at the RUHS College and Career Fair. There was a wide variety of occupations that our students learned about. Some of our 8th and 9th grade students were also able to participate in the Backpacks to Briefcases college and career Fair put on by Wayne RESA. Students not only looked forward to attending but came back sharing their learning with their peers. On April 30th, a group of 7th and 8th grade students attended a visit to Madonna University. Students were able to sit in lecture halls, tour the campus and the big highlight was eating in the cafeteria where they enjoyed an all you can eat lunch. They are all ready to sign the dotted line to attend college for all you can eat soft serve!

On May 2nd we held our first annual Step-Up Day for current 6th grade students. Students, staff and the principals of Beech and Hilbert elementaries came over and the students were VERY excited to spend time with us. Assistant Principal Sims and our 7th and 8th grade counselor Miss Malone led presentations for the students and our Dean of Students, Mr. Iler, and our Behavior Interventionist, Ms. Nixon, led students on tours of the building. They were able to try out and get fitted for instruments if they are joining band next year and had the opportunity to sign up for choir, football, and wrestling. There was an interactive quiz regarding information students learned prior to their departure and they were eager to participate to earn prizes. All the students left with some RUJH swag. On May 7th, our 9th graders had structured tours of the high school. Members of the Link Crew showed our students around and the huge highlight was the new Esports gaming room. They are looking forward to being sophomores soon!

### **Redford Union High School:**

On Saturday 5/4, the Redford Union High School inaugural girls flag football season began with a 6-6 tie against Detroit Lincoln King. This is currently a club sport, and the 24-team league is sponsored by the Detroit Lions. On Saturday, May 11<sup>th</sup>, the Lady Panthers defeated Detroit Renaissance 31-12 at Ford Field in Downtown Detroit.

Congratulations to Redford Union High School senior artist Christian Mitchell for being featured in April's edition of Shoutout Michigan for his passion, skills, and love for art. Aside from art shows, Christian's art is also proudly displayed around Redford Union High School, including a special piece in our main office. Congratulations and keep working hard, Christian!

Congratulations to former Redford Union High School football player Jeremy Flax for signing with the Minnesota Vikings. Jeremy (6'5" 360-pound offensive lineman) has worked hard to put himself in a position for success. Best of luck in the NFL!

Thirteen Redford Union High School Early College & Career students (11 are pictured) were inducted into the Phi Theta Kappa International Honor Society for their academic excellence at Wayne County Community College. The Redford Union High School Early College & Career program places our students in a rigorous five-year program at RUHS, where they graduate with both a high school diploma from RUHS and an associate degree, paid for by Redford Union. In May, at our commencement ceremony, we will see our 4th cohort walk across the stage to receive their associate degrees. Congratulations to our students and this is another example of the great things Redford Union High School has to offer our families!

Congratulations to Redford Union High School graduate Jennifer Mansfield ('94) for earning and becoming the Chief of Police for the Redford Township Police Department. Aside from being a great community advocate, Jennifer is also the

first female chief of police in the township's history. Congratulations and way to make RU proud!

All RU students grades 7 through 12 participated in the Redford Union High School College and Careers Fair held at MacGowan (due to construction at the RU Secondary Campus). Over 40 participants were on hand for our students to engage with and expose them to career fields such as trades, motion picture production, public safety, mechatronics engineering, nursing and pharmaceutical, law, and the list goes on. Kudos to our Early College and Careers team and students for hosting yet another first class event at Redford Union High School.

Congratulations to our choir director, Mr. Rosser, for winning the Meemic Shepard Classroom Makeover Grant! This grant awarded four Redford Union teachers \$300 each to purchase supplies and furniture for their room to help our students succeed.

#### **Veritas Alternative Education:**

Veritas would like to recognize student-athlete Victor Foreman. Victor is a senior who has made his academics his priority since starting at Veritas. Since starting the program last year, Victor has completed 6 credit recovery courses, getting back on track to graduate, and remaining academically eligible to participate in Track and Field. He is a positive role model in our building and comes in everyday with the biggest smile and ready to take on the world. We are so proud of your hard work, Victor!

#### **Keeler Day Treatment Programs:**

May 6th - May 10th - Staff Appreciation Week Celebrations: Working at Keeler is a hard job, and staff merit recognition & respect! As we celebrate educational employees throughout the week, we want staff to know that we understand that the population we serve is very challenging. We respect the job they do everyday! We know how much they invest and give of themselves. There are easier and more lucrative careers, but when people have a teacher's heart, there is nothing more fulfilling. We consider ourselves lucky to have them as staff and lucky to serve as their administrators! We celebrate and salute them everyday but especially this week! This week we show them just how much we appreciate the work they do everyday!

- Monday: Staff enjoyed sporadic moments of relaxation throughout the day
- Tuesday: Staff enjoyed morning Pastries and a Beverage, and they kept the special
  - mug of their choice
- Wednesday: Staff made and enjoyed a "Whatever Floats Your Boat" Ice Cream
  - Sundaes or Ice Cream Floats

- Thursday: Staff enjoyed a catered hot breakfast

May 9th – In Observance of Mental Health Month: Keeler Center will have an SEL Day for students and staff. May is a time to raise awareness of those living with mental or behavioral health issues and to help reduce the stigma so many people experience. Let us take time from our hectic normal routine and have some time for our social emotional well-being. Thursday, May 9th will be an SEL Day. Students and staff will engage in activities that are fun, relaxing, less stressful and promote social awareness and development, relationship building, decision-making skills, self-management and more.

#### **Athletics:**

- Hosted our first ever girls flag football game on Saturday, May 4. Tied 6-6, with a chance to win it on the final play! Currently have 25 girls on the team.
- Hosted “Hope at Bat” Cancer Awareness fundraiser for baseball/softball on May 1, partnering with Thurston. Both teams were able to play under the lights and current student Robin Adkins threw out the first pitch for baseball and former student Ashley McVay threw out the first pitch for softball. Raised around \$800
- Hosted a free physical night on May 9, partnering with IHA.

#### **The Board of Education, Superintendent, and District Administration:**

Total BP #11 Award Recommendation Amount.....	\$879,475

The Board had a discussion.

Trustee Bailey wanted to encourage the possibility of going out into the community and asking other groups that may see a positive opportunity for using the Field of WOW so that it could be a group effort.

Trustee Martin shared her concerns with the dollar amount.

President Pridemore shared her initial concerns with the dollar amount. She said, however, it was the last thing promised to their constituents that they would try to deliver. Her initial holdback was spending almost \$1,000,000 on a field of WOW and not having a baseball diamond for the District. But now that they have seen that there is a plan for that, which makes her a little more agreeable to this.

**Superintendent’s Remark:**

Wayne RESA Board of Education – National Teacher Appreciation Week Resolution:

The District also did a few things last week to recognize their teachers. Superintendent Witt congratulated the teachers and the counselors for their efforts and everyone in every role that they take on for our students.

**Superintendent’s Remark**

**District Summer Calendar:**

The last day for students is June 12<sup>th</sup> which is a half day. Starting Friday, June 14<sup>th</sup>, the District will be moving to our summer office hours through August 3, 2024. The District will be open Monday through Thursday and closed on Fridays.

**Board of Education Member Contact with David Ellis Academy and other Concerns:**

Superintendent Witt requested that in Trustee Bailey's capacity as a member of this Board of Education, that he allow them as administrators to do their jobs. If Trustee Bailey wants them to contact other educational entities about certain things, they can figure out ways to do that. That is their role. He shared several instances with the Board.

**Board of Education Communication/Discussion:****Board of Education  
Communication/  
Discussion**

Trustee Bailey addressed the matter regarding his contact with individuals and other educational entities. He shared reasons for his actions.

It was reiterated by President Pridemore that board policy and bylaws states that no board Member should act alone. If it continues she will continue to issue censure.

Trustee Martin attended the MASB Superintendent Evaluation Training.

Superintendent Witt said that over the next couple of weeks, the Board will have conversations about the Superintendent's Evaluation. The plan is to have a closed session to conduct the evaluation after the June board meeting.

It was mentioned that President Pridemore and Trustee Martin had conversations regarding Onboarding of new members. Trustee Martin was going to try to have that conversation with the full Board during the next study session.

The Onboarding would be a committee or committee of the whole.
